Dear Applicant,

Thank you for your interest in the post of Casual Exam Invigilator.

Penketh High School is an oversubscribed community facing school that is determined to support the academic and holistic development of pupils in order that they leave the school with a strong skillset and positive life chances. The culture of the school is underpinned by an academically rigorous curriculum, high expectations and standards, as well as a multitude of enrichment opportunities. All these aspects of school life are aligned with the capabilities of our outstanding young people.

Judged as a 'Good' school by Ofsted in February 2020, Penketh High School is committed to providing a high-quality education to our outstanding young people. This includes a high-quality invigilation team to support the effective delivery of examinations and assessments.

We are seeking to appoint several enthusiastic individuals to our Casual Invigilation Team. Invigilators play a crucial role in supporting the exam programme, and the successful candidates will assist the Exams and Data Manager to maintain the quality and integrity of internal and external examinations and assessments by ensuring examination sessions are conducted in line with JCQ Regulations.

We are looking for professional, hardworking, and reliable candidates, who have good organisation and communication skills and who are committed to inclusively supporting young people in their examinations and assessments. A willingness to contribute to other areas of school life would be welcome.

You will also be expected to commit to a large proportion of hours in November and between March and June (Inclusive), in addition to other ad hoc hours that may arise through the year. Owing to the common exam timetable used by the Awarding Organisations across the UK, this post is not suitable for individuals currently employed as an exam invigilator at another centre.

We look forward to hearing from you.

Yours Sincerely,

Mr Paul Cordingley
Exams and Data Manager
